

ADI: The first All Day Integrated field trips are this [Friday September 26th](#) and still seeking parent volunteers.

- *Potions, Machines, and Back to the Future (science):* All three classes are going together to the [Science Discovery Museum in Fort Collins](#). We need at least 15 parents (1:5 ratio) to join us from about 9 – 3:30.
- *Mysteries of History (social science):* Contact Mr. Lamb to help at the [Colorado History Museum](#).
- *Dig the Past (social studies):* Contact Mr. Waldman to help with the [Denver Art Museum](#) trip.

Keeping up with the Classes: [Keep checking the teacher "weekly assignments" on the CHOICE web-site](#). These teacher blogs include a look at the upcoming week regarding activities in class, upcoming projects, and homework. Contact the appropriate CHOICE teacher with any questions.

Hands on Help: Want to watch a student under your guidance grow? We need a [volunteer parent to help in the first period clinic](#) once a week from 8:45 to 9:30am. You'd be amazed what a difference you can make! if you have questions or can help, contact Annie Kraft at annie.kraft@bvsd.org

Seeking Parent Paper Pusher: Here's another great opportunity to be involved. We are looking for [a parent willing to train and work with the current parent volunteer on fall and spring trip forms](#). This is a critical job that enables the Team to focus not on paperwork but on teaching & preparing for these multi-day trips. Ideally, you would be a new parent to the CHOICE program and willing to take on this position for the duration of your child's stay in CHOICE. For more information or to volunteer, please contact our volunteer coordinator Leah Kahn at 303-666-4227 or lkahn@hayneco.com

Chopping for Charity: The year's [first woodcutting event is coming up on Saturday October 18th from 8am to 3pm](#). We're meeting on the east side of the school building. This is a wonderful chance for students to get community involvement hours, for families to raise money toward the CHOICE donation, and to be part of a community building activity which benefits families in need of wood for the winter. Parents and students will help cut, stack, and load wood. Trucks and trailers are also needed for wood deliveries. If you have questions or would like to come, please contact Seth Waldman or Boyd Brown.

Fall Trip: Wow, we head on our Fall Trip adventure [NEXT WEEK, Oct 1-3](#).

Stackin' - There are [still students with FORMS MISSING!](#) Please turn in everything ASAP. NO FORMS = NO TRIP.

Packin' - Students are encouraged to [start packing this weekend](#) to make sure all necessary equipment fits and is ready! Please note the [attached packing list](#) which is a duplicate of the one sent home with the original Fall Trip packet.

When' - [Next Wednesday, students should arrive at school at the normal time](#), we will then load the buses and be on our way. We will return to school on [Friday at 4:30pm](#), please be there to pick up your child promptly.
