### Fall 2009 Make A Difference "Wish List"

Dear Boulder High School Families,

Twice a year – at the start of fall semester and the start of spring semester we ask all Boulder High School teachers and staff to submit a "Wish List" of materials, supplies and programs that require additional funding beyond what is provided by the School District. This list is then forwarded to all Boulder High families with a request for money donations to fund the requests. Enclosed is this semester's "Wish List" which represents current needs for items and materials to supplement instructional budgets and to provide additional learning materials and opportunities essential to a higher quality of education for all of our students.

We recognize that these are difficult economic times and that many of the "Wish List" requests are for large dollar amounts. Please remember: Every donation counts and no donation is too, small. Your donation will be combined with others to support our teachers and programs!

This is your opportunity to make a direct, tax deductible donation to a specific teacher, department or program from the enclosed "Wish List." Please complete the donation form below and indicate where you would like your donation directed. If you would prefer to make a "Use as Needed" donation, your gift will be added to those of others to complete the funding of our most pressing needs.

You will not be asked to sell anything, make anything, or bake anything.  
100% of your donation will benefit students and staff at Boulder High School directly!

Thank you very much for supporting Boulder High School.
