GREENWOOD VILLAGE — The No. 2-ranked Fairview girls swimming team upset No. 1 Cherry Creek on Thursday night for the fourth time in the last six years.

Both teams put their best swimmers in the pool, and the Knights came out on top 99-87. Although it was only a duel, it gives Fairview a big boost of confidence heading into the state meet on Feb. 16.

"They are still the front runners for state, but we'll take it," said FHS coach Bob Smartt, who led the Knights to a 7-0 dual record. "But we're pleased to steal a dual meet and it was worthwhile for us."

Fairview star Julie Giehl took two individual wins to lead the nights. But the 100 butterfly was the turning point in the meet. Fairview's Sophie Lucas and Lauren Salisbury finished first and second in the event and gained the Knights' valuable points.

"That was huge," Smartt said. "The tide started turning with that event."

The first event was also big for Fairview. The Bruins had the No. 1-ranked 200 medley relay team, but Fairview's "A" and "B" beat their Creek counterparts to start up 10-4.

"It was a great start, being ahead 10-4 instead of being down 10-4," Smartt said.
