

Construction Update Louisville Middle School April 18-24, 2009

Construction Overview

I attached a memo to parents regarding an afternoon interruption to our 6th grade hallway.

What you need to know

Parking *NEW INFORMATION	More parking opened up on Main Street.
Pick up/Drop Off *NEW INFORMATION	Reminder that we begin student supervision at 8:40 am and end supervision at 3:40 pm.
Traffic *NEW INFORMATION	Please do not use new Bus Loop to avoid Main Street traffic. Overall, everyone is driving well.
Bike and Pedestrian Access *NEW INFORMATION	Please remind kids to slow down prior to crossing Main Street, Lafayette Street, and Jefferson Street.
Finish & Complete *NEW INFORMATION	Old boiler doors placed in lobby. Floors polished and stained 100% complete. Marmolium floors installed. Seating in Auditorium in progress. Four more projectors installed. Seven SMART boards installed. Administration area 100% finished, punch list items in progress. Sun shades installed. Library 100% complete, punch list items in progress.
Smell	
Noise *NEW INFORMATION	Lots of noise Wednesday for three hours due to Auditorium seats installed.
Asbestos Abatement *NEW INFORMATION	No new work this week, no issues.
Evacuation Routes *NEW INFORMATION	Calm Week.
Daily routine/internal traffic patterns (lunch, recess, etc.) *NEW INFORMATION	Many delivery's needed access via west road so had some congestion. Next week will be worse due to furniture deliveries.
