

Dear Louisville Middle School Parents,

We are excited to announce Louisville Middle School's one and only fundraising event, the "Pirate Pride Challenge." This is our 1st year of the Pirate Pride Challenge and it is a direct donation campaign to make your contribution easy and effective with 100% of the donation going directly to your child's education.

We have decided to move away from student-driven magazine sales campaigns for a variety of reasons. We believe that this direct donation format provides a more equitable and responsible fundraising effort. It allows families to contribute directly to their school in a meaningful manner.

Please remember that no donation is too small; all contributions will be accepted and put to good use.

Upcoming spring events include:

- Field trips for all grade levels
- Honors night
- 8th grade end of the year lunch
- 8th grade dance and graduation

Our goal, this spring, is to raise \$5,000 with 100% participation to put directly toward the educational benefit of all students. Budget cuts being faced by LMS will be directly offset via your support.

Please help us meet this challenge. LMS is a tax exempt organization; up to 100% of your donation is tax deductible. Matching funds from your employer are a great way to double your donation; please inquire with your company

Use the form on the back of the flyer to make your contribution today. The "spring" Pirate Pride Challenge will run from February 1st to March 19th.

Please make checks payable to LMS. We are unable to accept payment by credit card. Feel free to drop off your donation at the school or send in mail. All contributions should be sent to:
