5th Graders!!!

We will have an extra “Tech Rehearsal” on Sunday, March 2nd. A technical rehearsal is the first time we will add sets, lights, and costumes before our production. It is very important that every 5th grader be at this rehearsal. It is one of our last practices and the only chance to rehearse things like costume changes and using microphones. Please mark your calendars and plan to be at Mesa in the afternoon on

Sunday, March 2nd!

Remember to bring your script and a pencil to **EVERY** rehearsal!
