The CITY Experience

Metropolitan Kids Immersed in Culture

This **CITY Experience** is an opportunity for students in **grades 4-6**

to participate in a cultural option in the metropolitan area facilitated by a high-interest adult guide. Students show up at the monthly event at the assigned time and join their guide for tours, educational experiences, a performance, or other fun activities as the guide leads them through the exhibit or experience using educational "signposts." All materials are included and fees vary by event.

The CITY Experience is currently a Saturday option offered once a month with variable times and grade levels. Events include fine arts, athletics, museums, historical locations, and math/science tours.

This is a student event.

Guided tours showcase rarely seen areas such as Actor's Alley, theatre design and construction in the Tramway Building where all of the props, costumes, lighting and scenery are created for the Denver Center Theatre Company, and the stunning Ellie Caulkins Opera House.
