## Morning Intramural Program

Dear Parents,

Soon we will be starting our morning Intramural program for 4<sup>th</sup> and 5<sup>th</sup> grade students. This Intramural program is designed to give children extra time so they can further develop motor skills, as well as enjoy a more competitive game environment. Good sportsmanship, teamwork, and safety will be highly stressed during all activities.

The sports students will be participating in are Flag Football, Floor Hockey, Basketball, Volleyball, and other fun activities. The equipment to be used for all these activities will incorporate safety for each participant.

**Intramural times are Monday mornings from 7:45 am to 8:30 am.** Our first day of activities will be on **Monday, September 21<sup>st</sup>**. Students wishing to participate will need to turn in their Intramural permission slip to Mr. Neitenbach in the Physical Education office.

**Please do not drop off you child before 7:45 am; there is no adult supervision before this time.** There are no financial costs to participate in the Intramural program. We look forward to seeing your child on Monday, September 21<sup>st</sup>.

Thank You  
Terry Neitenbach
