There are 8 periods in a school day. Ninth grade students must sign up for six courses each semester. On the form below, write in the Course Code number, the Course Name and get the signature of your current teacher. If classes that you've requested are unavailable, an alternate class will be scheduled. The master schedule (periods and semesters) will be created from the course selections students make. **You must consider your choices carefully**, as schedule changes may not be possible at a later date. You are signing up for a full year's worth of courses.

* P20, a one semester class, is a prerequisite to all other PE classes, a BVSD Graduation Requirement and highly recommended for freshman year.

Note: In Course Code, A indicates first semester, B indicates second semester.

Note: In addition to these selected courses, all 9th grade students will be assigned to a Freshman Seminar/Study Hall. Freshman Seminar meets one hour per week during an open block period and is an aid in the successful transition to high school. Freshman Seminar and lunch are not counted as semester classes, alternates or electives. Students still need to sign up for a minimum of 6 classes. You will see your Freshman Seminar assignment on your final schedule.
