VOLUNTEER CORNER

CHOIR COMMITTEE

Members of the choir committee are responsible for driving specific areas typically with the help of additional volunteers. It is a great way to donate time and bring about positive change. As we go into the 2012 school year we are looking for parents of current freshmen and sophomores to fill slots on the following committees:

Wardrobe

In August and September, Inventory, fit, alter, and distribute formal attire for concert wear. Advise and purchase new inventory as needed. Oversee return and dry cleaning of wardrobe at year end.

Business Contribution

Work side by side with Debbie Weigold in raising money through business contributions (mostly through parents of choir participants). Most parent business owners are happy to help us if they are financially able.

Web Design

The Choir Committee is on the electronic bandwagon! We plan to extend our web site and on-line payment offerings next year and are seeking someone with web design experience who wants to help make that happen.

Publicity

Are you savvy with advertising and press releases? We are looking for help (especially for the theatre productions) in this area.

Please let me know if you are interested in any of these and I will hook you up with the committee chairperson. I will have more information on other volunteer opportunities at the start of the school year.

Do you still owe your choir fee? Check Infinite Campus. Just a reminder to get that done before the end of the year!!

Wardrobe Check-In

All students in Voices, Troubadours, and Festival must return all wardrobe items.

NOTE: Troubadours women keep the panties. Madrigal women must return necklaces and Madrigal men their pants.

Dates and times of check-in will be provided in an upcoming email.

Thanks to everyone who purchased King Soopers Cards this year. DON'T FORGET TO USE THEM!!! We receive 5% back every time you reload.
