We will be fitting uniforms for all marching band students right after practice on six days during band camp. We have divided up the roster of band students to be fit on specific days, but if your assigned day does not work for you, just let us know and we will switch you to a different day. If your name is not on this list, please just come in on the day that you fit into alphabetically. Please come to the uniform room, which is located upstairs from the band room. We need volunteers to help hem pants and jacket sleeves of marching band uniforms. These alterations are easy to do and do not require a lot of sewing experience. We will have uniforms ready for alteration starting Saturday, August 8. You can take the uniforms home with you to alter and return them later. If you can help, please call Alice Andersen (303)516-9193 or Nicky Kroge (303)494-4018 or Nancy Baker (303)581-9001

The proper fit of a uniform is essential for making the band look sharp. Help us make the Fairview Marching Knights look their best on the field.
