

...Fairview Athletics...

Welcome to the **Knights Club**, formerly called the Fairview Knights All Sports Booster Club! Why the name change? Simple: it's a new day for the Club, as we welcome a dramatically growing membership with an exciting new vision for how the club can contribute to each and every student athlete at Fairview.

2007-08 Recap...

Before outlining the new direction the Club is heading, let's first recap the very successful 2007-2008 school year. Our growing membership has been matched by a significant increase in our donations, which has allowed to Club to once again provide funding to EVERY sport that asked. Here are just a few of the many funding requests that were met by the Club:

girls basketball	\$400.00	girls soccer	\$1,000.00
boys golf	\$321.05	boys swimming and diving	\$1,800.00
girls golf	\$321.05	sports trainer/stem machine	\$4,100.00
poms	\$500.00	weightroom	\$2,500.00

Quite simply, these teams would not have been able to pay for these items without the financial support of the **sports booster club**. Every cent collected from memberships goes back to athletes and sports at Fairview. Overall, a total of \$4,332.36 was provided to the following sports through membership designated donations:

baseball	\$161.67	boys soccer	\$160.00
boys basketball	\$603.34	girls soccer	\$270.00
girls basketball	\$213.34	softball	\$60.00
cross country	\$233.34	boys swimming and diving	\$318.00
football	\$150.00	girls swimming and diving	\$302.00
boys golf	\$100.00	boys tennis	\$60.00
girls golf	\$43.00	girls tennis	\$177.00
gymnastics	\$10.00	track and field	\$50.00
boys lacrosse	\$370.00	volleyball	\$390.00
girls lacrosse	\$20.00	weight room	\$240.00
poms	\$70.00	wrestling	\$330.67

This past year also saw a change in leadership for the club, with Dennis Greenfield stepping aside after five years of bringing leadership to the Club as its President. Everyone at Fairview, from our student athletes and coaches to every student and parent at the school, owes a debt of gratitude to Dennis for his years of dedication and hard work.

Looking Ahead...

Our new President is Patrick Purcell, who has coached youth basketball in Boulder County for years and whose daughter is a basketball player at Fairview. We look forward to the new vision and excitement Patrick brings to the club.

Funding from BVSD for athletics at Fairview has remained at the same level for the past several years despite rising costs for transportation, rentals, officials and game workers. The **Knights Club** is a necessary support organization for our student athletes. With only 30% participation in the club from the parents of student athletes last year, we were still able to raise almost \$14,000.00 through memberships. Now more than ever we need to have every family who has a student participating in sports join the Knights Club.

The Club has a very ambitious vision for the future, with the bottom-line goals of:

- Continuing to **increase membership** in the Club every year
- Get **more members** more involved in supporting the Club and its work with each sport at Fairview
- Significantly **increasing the financial and non-financial support** we provide to each sport, matched with...
- Significantly **increase fund raising** to meet the increased support we aim to provide.

We have a number of ongoing projects we're working on, including:

- **"All American"**: While requirements for "All American" status differs with each sport, the "All American Wall" will be a way to provide a lasting honor for our most accomplished student athletes.
- Gym Redecoration: With the construction at Fairview brought about by the recent bond, we have an opportunity to remodel our gym. Efforts are underway to come up with options for improvements to the space.

We Need Your Help!

None of this is possible without your Membership Donation. Our funding comes from your memberships. Without your membership donation we cannot give teams and student athletes any money.

This year we are continuing a unique way to support the **Club and your student athlete's particular team**. Once again, 1/3 of your membership donation will go directly to either 1) the team of your choice, or 2) a scholarship fund administered by the Club, or 3) the Club's general fund to be used to fund items that arise during the school year.
