Are you Ready to Change Your World?

*"Building partnerships to empower young leaders,
advance community development, and strengthen
multi-cultural understanding in the Americas."*

Amigos is an international, not for profit organization that provides community service opportunities in Latin America.

The Denver Chapter of Amigos de las Americas is hosting two Parent Information sessions for families interested in the 2011 summer programs. Amigos sends 600 high school and college students from all over the US to Latin America every summer to live with a host family for 5-8 weeks and volunteer in a rural community. Training is provided and scholarships are available. You must be 16 by September 1, 2011 and have 2 years of high school Spanish or equivalent.

Boulder Valley Gifted & Talented

presents

Jim Delisle, Ph.D.

The Top Ten Strategies for Raising a Happy and Successful Gifted Child

BVGT is pleased to present Dr. Jim Delisle, a frequent and popular speaker at state, national, and international conferences about giftedness. Dr. Delisle's focus on the social/emotional development of gifted children and strategies for teachers and parents to support gifted kids' growth and development are the topics of many of his books and articles. Dr. Delisle's engagement with gifted learners has resulted in giving voice to these children through *The Gifted Kid's Survival Guide* series. In this presentation, Dr. Delisle will share ten strategies to help parents of gifted children better understand the complex lives and intensities of their children and how giftedness impacts their relationships at home and in school.

Thursday, September 23rd, 7:00—8:30 p.m.

Fairview High School Auditorium

1515 Greenbriar Boulevard, Boulder, CO 80305

About the Presenter -

Dr. Jim Delisle has taught gifted children and those who work on their behalf for more than 30 years. Jim retired from Kent State University recently after 25 years of service as a professor of special education. Throughout his career, Jim has taken time away from college teaching to return to his "classroom roots", volunteering as a 4th, 5th and 8th grade teacher. Jim taught gifted middle school students one day a week between 1998 – 2008 in the Twinsburg, Ohio Public Schools. Jim is the author of more than 250 articles and 15 books. The practical nature of Jim's presentations is a direct result of his frequent intervention into the world of schools.

Boulder County Prevention and Intervention Program

This letter is designed to acquaint you with the services of the Boulder County Prevention and Intervention Program. The Boulder County Prevention and Intervention Program (BCPIP) was founded in 1987 to provide effective school-based prevention and intervention services focused on strengthening students' skills and abilities to deal with problems, issues, as well as to make decisions in a healthy/productive way. The partnering agencies in this program include Boulder County Public Health, the St. Vrain and Boulder Valley School Districts, the cities of Boulder and Longmont, the town of Lyons, and the Mental Health Center Serving Boulder and Broomfield Counties, Inc.

The primary focus of the BCPIP is to provide counseling, and prevention services in close collaboration with school staff. These services include: mental health and substance abuse assessment; brief solution-focused counseling; team mobilization to provide support after a school/community trauma; referral of students/families to community agencies and follow-up to the referral; coordination of community services offered on-site at schools; consultation with school staff for prevention and intervention planning; training students to work with and help other students; group counseling to help students deal with problems/issues in small groups; youth leadership; presentations for parents; classroom presentations; and training for faculty and staff.

The program staff consists of masters or doctorate level prepared counselors, psychologists, and social workers, referred to as Interventionists. Interventionists work for The Mental Health Center Serving Boulder and Broomfield Counties, Boulder County Public Health, or the City of Boulder, and are not school district employees. The BCPIP program philosophy is to involve parents whenever possible. You should also know that as mental health professionals, Interventionists follow Federal Law which outlines confidentiality guidelines. Anyone over the age of 15 is protected by this regulation and may seek services on their own. Anyone under 15 must first obtain parental consent to seek services. The guidelines specify that any information received by an Interventionist is confidential unless the student (aged 15 or older) or a parent or guardian gives specific permission to disclose the information. Therefore, school personnel, including the principal, will not have information regarding your child's work with the Interventionist unless specific permission is given. Excluded from this protection is information that discloses the intent to harm oneself or others, an incident of child abuse/neglect, or sexual assault.

Intervention staff are placed at most secondary schools in the St. Vrain and Boulder Valley schools. **The Interventionist at Fairview High School is Rose Lupinacci, LCSW. My office is located in the Counseling office and my direct and confidential phone number is 720-561-5861.**
