THINGS YOU MIGHT NEED TO KNOW

IF YOUR STUDENT HAS AN APPOINTMENT DURING THE DAY –

Parents, please call attendance in the morning whenever your student will need to leave during a class period for an appointment. The attendance secretary will put a comment in the class' attendance roster so that the teacher is aware of what time your student will be leaving. Students will be excused at the indicated time. Unfortunately, we do not have enough staff to pull students from class each time they have an appointment. Also, remember to have your student get a note from the doctor/dentist and bring it to the attendance secretary for documentation.

The Mock Trial team is back at Fairview High School! We're looking for twelve students to act as lawyers and witnesses on this year's team. If you're interested in law or drama, this is the team for you! Tryouts will be after school on Wednesday, October 27th in Room 854. Email or see Mr. Lewis

(james.lewis@bvsvd.org) in Room 855 for more information and for the handout needed for auditions.

Thank you, Fairview High School!

At our **Blood Drive** on October 11, 2010, 67 individuals came forward to donate blood, permitting the Bonfils Blood Center to collect 56 units. Sixty-three (63) of the 67 individuals identified themselves as first-time givers. Roughly two-thirds were female.

The Bonfils Blood Center reports that the 56 units of blood can help as many as 170 patients. Bonfils distributes blood products to nearly 200 hospitals and healthcare facilities in Colorado and beyond.

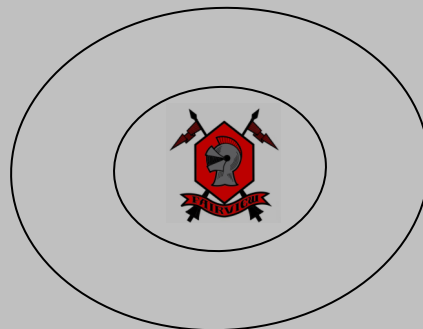

Donating blood saves lives!

Thank you, **Fairview administrators and school staff**, for permitting and facilitating the blood drive. Thank you, **Fairview High School blood donors**, for your life-giving contributions on Monday, October 11th, 2010.

PayFort.net

online school payments

What is PayFort?

PayFort (PFI) is a Secure Online Payment system which simplifies payment, collection and balancing of funds for School Districts.

PFI is a web-based portal system that is part of the QSP suite of products used in throughout the BVSD today. PFI was developed and is supported with the ongoing QSP philosophy of *quick, simple and practical*.

BVSD offers PFI to our parents to fund student lunch accounts & pay student fees online.

Benefits

- ✓ The lunch payment process is automated for both the parents and the district so errors are minimized and the process is standardized.
- ✓ Using PFI, cashiers spend less time taking cash at the serving lines so students have more time to eat. Additionally, there is not a chance of lost lunch money from home to the serving lines!
- ✓ Payments can be made by credit card 24 hours a day, 7 days a week at the parents' convenience.
- ✓ Parents can review what their students are actually purchasing along with account balance information.
- ✓ PFI supports increased communication between the school & the parents.

Features

- ✓ Account lunch balance information is readily available to the parents, the district and the school lunch staff.
- ✓ Parents can opt to receive an email when a student balance dips to certain threshold (set by the parent).
- ✓ Parents can opt to use an automatic payment feature which replenishes their student account(s) when a balance dips to a specific level (specified by the parent).
- ✓ School messages are automatically emailed to parents.
- ✓ A continuous online survey is provided to monitor parent feedback and ideas.
- ✓ Student information is automatically transferred from year-to-year and from school-to-school.
- ✓ Parents can manage more than one student account.
- ✓ PFI is PCI compliant and maintains industry standard SSL certificates. This ensures all data is safe & secure as defined by the industry.

How to sign up

Log on to www.payfort.net

Select the "Sign Up" option from the menu. The screens will guide you through the process to establish your account:

1. The internet convenience fee is explained, it is \$2 per transaction;
2. You will be prompted to enter your contact data, password, payment information, etc.;
3. You will need to indicate which student(s) to attach to your account. Students are already loaded in the PFI system. PFI utilizes the same student ID number already used throughout BVSD functions. If you are unsure of your student's ID number, please contact your individual schools' registrar.

Once all information is entered, PFI will email a validation code for you to confirm the registration. Once confirmed you can begin using PFI as often as you'd like.

How to get help

How Do I ... Each major function used in PFI, has online help available under the menu option of "How Do I ...". The "How Do I" provides step by step instructions as well as screen examples.

FAQ: When starting to use PFI, it is a good idea to review the Frequently Asked Questions (FAQ) available within the Help menu option.

Contact Us: You are also able to send an email to the PFI Help Support Staff. This function is also within the Help menu option.

ATTENTION PARENTS:

You may now use the payfort system to pay athletic fees.
