Our Preschool offers an exceptional program for children ages 3 and 4 who are not yet age eligible for Kindergarten. A child must reach his or her fifth birthday on or before September 30th to be eligible for Kindergarten enrollment.

Classes are half-day and follow BVSD's school-year calendar. Highly trained teachers help children develop in four critical areas:

- Social and emotional learning
- Physical development and motor skills
- Cognitive development
- Language and literacy development

...all in a fun, active classroom setting at Alicia Sanchez Elementary School!

Class Schedule

We have both morning and afternoon classes for preschool students. The morning session goes from 8:00 am to 10:45 am. The afternoon session goes from 11:45 am to 2:40 pm. All classes are from Tuesday through Friday, with Mondays off.
