

Dear _____,

As a sophomore in the Pre-IB program at CHS, it is time to schedule your IB Candidate Interview for entrance into the Diploma Program next year. This interview is with the IB Coordinator, Mrs. Mitzelfeld, in the IB office.

During the interview we will discuss:

- your success in your freshman and sophomore classes,
- your questions about the Diploma Programme
- your class selections that will form your own personal Diploma plan.

If you are not sure whether you will continue as an IB student, please schedule an interview anyway so we can be assured that you have all the correct information in order to make your decision.

To schedule an interview, please choose a date and time listed below and email your choice to me (susie.mitzelfeld@bvsd.org). The interview is 10-15 minutes long. Try to choose a time that you are not in class however, I will send a pass for you if you must come during a class period. Please indicate in your email if you will need a pass and from which class. Otherwise, students must be responsible for attending their interview at the confirmed time.

I'm looking forward to planning this exciting learning journey with you for your future success as a student.

Sincerely,

Mrs. Mitzelfeld, IB Coordinator
