PERSONAL GIVING CAMPAIGN UPDATE

There is one month left in our Personal Giving Campaign, and I wanted to provide you with an update. *We have reached 90% of our goal of \$30,000! Thank you so much if you’ve contributed!* IT IS NOT TOO LATE TO PARTICIPATE! We welcome contributions in any amount and can take a check or credit card. Simply fill out a pledge form and either mail or bring it to the office. They are in the hallway outside of the office.

Please remember that your contribution goes directly to all of our students by funding PTA budget items such as classroom materials and field trips, enhanced art and music programs, and upgraded playground equipment and facilities. If you have any questions, please call Dee Andrews at (303) 413-8323.
