

Dear Parents,

I am looking forward to meeting with you and your son/daughter at Fall Conferences. *When the on-line reservation system is open, please reserve a time that you and your child can come to a conference together.* We'll focus on goal setting and we'll discuss reasonable expectations for academic performance. *Your child will complete a form in class (similar to the one below) to help him/her begin the process of goal setting.* Please complete the following questionnaire and return it to me (you may type your responses, save it, and email it back to me; or you can send it with your child to school). ***Please return it by 9/23 so I have sufficient time to incorporate your ideas with mine and your child's.*** I look forward to speaking with you and your child about his/her goals for our fourth grade year together.
