

The Douglass Dolphin

by Andrew Metzroth

Growing along, singing a song,
Dolphins of Douglass are we.
Happy and free, where we want to be
Dolphins of Douglass are we.

We're growing up strong, we're the best we can be,
Learning to learn, cheerfully.
Exploring new things, trying our wings,
Taking pride in me.

Growing along, singing a song,
Dolphins of Douglass are we.
Happy and free, where we want to be,
Dolphins of Douglass are we.

Respecting ourselves and our diversity,
Learning together about you and me.
Like those in the sea, a community,
Dolphins of Douglass are we.

Growing along, singing a song,
Dolphins of Douglass are we.
Happy and free, where we want to be,
Dolphins of Douglass are we.
Dolphins of Douglass are we.
Dolphins, dolphins, dolphins, dolphins
Doug-lass Dol-phins! Yeah!
