2. How many years can a mountain exist  
 Before it is washed to the sea?  
 Yes and how many years can some people exist  
 Before they're allowed to be free?  
 Yes and how many times can a man turn his head  
 And pretend that he just doesn't see?

3. How many times must a man look up  
 Before he can see the sky?  
 Yes and how many ears must one man have  
 Before he can hear people cry?  
 Yes and how many deaths will it take 'til he knows  
 That too many people have died?
