

Budget Cuts Brainstorming

If you were unable to attend Community SIT meeting on February 9th, the powerpoint is available as well as an opportunity to provide feedback. This feedback form is laid out in the same manner as our conversations from that evening. Please feel free to copy and pasted your input into an email to me, or add your feedback to this document and attach it to an email.

Melisa Potes

Below are 4 budget cut areas. Please provide feedback to the following questions for any or all of the areas listed.

- What is essential in this area (to your knowledge)?
- What do you think we could do without OR what changes could be made?
- What parent volunteer structures could be put in place to help meet a need in this area (if any?)
- What other resources are available that we are not currently accessing?
- Anything else you want to share?
