

# SCHOOL SUPPLIES

## Foothill Elementary

### 2011-12

Foothill Elementary will be collecting \$40 for each K-5<sup>th</sup> grade student for school supplies for the 2011-12 school year. Teachers will order exactly the quantity they need of high-quality supplies in bulk at a discount. Supplies will be delivered right to your child's classroom - saving you the hassle and expense during the back-to-school rush! We are collecting money now, rather than in the fall, so that teachers can start the year with the needed supplies. If your child does not attend Foothill in the fall, you can get a full refund. Kindergarten has been using this system for several years now and grades 1-5 implemented it last year. Teachers are pleased with the flexibility, control, and value it has given them.

Please fill out the form, attach a check or cash, and give it to the office. A form must be returned for every student, however, payment can be combined for families. If your family is in need of a partial or full scholarships please indicate it on the form or call Sally Lasater, Foothill Community Liaison, at 720-561-2635.
