

FEED THE FOX FUNDRAISER:

FUNDRAISING GOAL: \$1/DAY PER STUDENT

These items are **not** funded by the Foothill operating budget. Without your contribution, they will not be possible.

Our goal this year is to have 100% participation of all families. Any amount will help.

○ **Literacy Tutor: \$12,500**

Tutors form small groups of students with common needs to work on reading/writing skills. By lowering class size during Literacy sessions, all students receive more tailored instruction.

○ **New Art Room: \$3,000**

One-time special funding to support the refresh of the art room furniture and supplies.

○ **Para Support: \$8,500**

Additional staff for increased playground safety, a priority with the new layout.

○ **Assemblies: \$7,500**

Multi-cultural programs, guest speakers and Child Assault Prevention Program (CAPP).

○ **Classroom Support: \$4,500**

\$200 is given to each teacher to supplement classroom costs.

○ **Foothill Support: \$8,000**

Funds special programs (Art, Physical Ed, Music, Special Ed, Literacy, Talented & Gifted, English as a Second Language), staff development and conference fees.

○ **Scholarships: \$2,000**

Needs-based funding for school supplies, snacks, school field trips, and external education opportunities.

Funds above the \$46,000 depicted in the pie chart will supplement the cost of furnishings for the new literacy resource room, library and playground.
