

Heatherwood
MATHLETES

When kids learn - and love - math, their future expands.

Heatherwood Mathletes Is Back for 2010/2011!

Mathletes, the after school program that supports Heatherwood's math curriculum by encouraging parental involvement in their student's learning, is back for the 2010/2011 school year pending having enough coaches for the year. If we have at least 2 coaches per grade, then we will offer classes for Grades 1st through 5th Advanced. We will meet from 6:30 to 7:30 pm on Thursdays. The tentative meeting days are as follows. 9/2/10 (Kick off meeting, assessment, meeting), 9/9/10, 9/30/10, 10/14/10, 10/28/10, 11/4/10, 11/18/10, 12/2/10, 12/16/10, 1/6/11, 1/20/11, 2/3/11, 2/17/11, and 3/3/11 (Final Exam) followed by the award ceremony sometime in April.

If we are unable to have two coaches per grade this year, then we will not offer the program for the respective grade. We hope one of you will volunteer at heatherwoodmathletes@comcast.net or call Michael Parrot at 303.817.8030. (It takes about 2 to 3 hours of preparation per class.)

Registration will take place on Monday August 16th during the open house or by registering online by going to the link <http://www.surveymonkey.com/s/QSMWPKJ>

Program Format

The Mathlete program meets about twice a month. The classes are taught by parents. The weekly format involves taking a "warm-up" quiz, cover some basic topics and reinforce those topics with games and activities. In addition, homework is assigned to be completed by the student and checked by the parent. A comprehensive final is given at the end of the program to gauge the student's progress. Finally, we hold an award ceremony where we acknowledge those who completed the program by giving trophies.

First Grade and Second Grade

For the 2009/2010 academic year, the first grade class will only meet every other meeting date. We ask the parents of 1st and 2nd grade students to attend the class with their child.

Registration and Costs

This year we will use both a paper registration at the open house on August 16th and by using electronic registration. Please copy the link below to your browser and complete the registration process. There will be a \$20.00 fee per student to cover the cost of supplies and trophies plus \$10.00 per book for a total cost per student of \$30.00. Instructions on the payment method are included in the registration link. (Scholarships are available) **We ask that you register before the first meeting on 9/2/10. We will not accept any new students after Thursday September 9th.**

Books

This year we are going to order the books directly for the program. Cost of the books is \$10.00.

If you have any further questions, please contact Michael Parrot at 303.817.803 or by email at heatherwoodmathletes@comcast.net concerning coaching or program information.
