

Name: \_\_\_\_\_

## 10 Minute Math Homework:

Sunday Monday Tuesday Wednesday Thursday Friday Saturday

- ◇ Count backwards from \_\_\_\_\_ (about 20 numbers from any number 2x)
- ◇ Count forwards by 2s from \_\_\_\_\_ (both odd and even numbers)
- ◇ Count forwards by 5s from \_\_\_\_\_ (start on a 5s number)
- ◇ Count forward by 10s from \_\_\_\_\_ (start on a 10s number)
- ◇ Count forward by 10s from \_\_\_\_\_ (start from any number—may need 100s chart)
- ◇ Ask "What's the number right before \_\_\_\_\_" 10x
- ◇ What are two numbers you can add together to make \_\_\_\_\_. What are two more? What are two more? (choose 3 numbers between 2-12)
- ◇ Practice doubles
- ◇ Practice tallies
- ◇ Counting small items by 2—counting items and estimating amounts, comparisons, and discovering odds/evens.

## Reading Homework:

I read 20 minutes each day

Sunday Monday Tuesday Wednesday Thursday Friday Saturday
