New Vista High School Parking Permit First and Second Quarters

Name _____ Advisor _____

I am interested in a parking permit for the New Vista student lot. I understand that I cannot park in reserved spots, handicapped spots, visitor spots, the staff parking lot, or any unofficial spots.

I understand that I must have my permit hanging from my rearview mirror each time I am parked in the NVHS lot.

In making this application I agree to the following rules:

- Students may not put out cones or other objects to reserve spaces when they leave the lot during the day.
- Students may not smoke cigarettes or use drugs or alcohol while their car is in the school parking lot.
- Students must follow the rules regarding right hand turns out of the lot.
- Students must drive safely while in the parking lot. (It would be good to do so at other times as well.)
- This list is not exhaustive. If you find some other way to be disrespectful or inappropriate we will hold that against you.

If you feel you have a compelling reason that you must have a spot in the student parking lot, please tell us why in the space below:
