Census Correction Information

Please log on to the parent portal to Infinite Campus: www.bvsd.org Let us know if there are any corrections to the current information we have about how to reach you, other members of your student's family, and emergency contacts. It is essential that this information be accurate. We do not need or want your student's SSN (social security number).

(If you have moved over the summer, you will need to provide proof of address, such as an Utility or landline phone service bill.)

Family Economic Data Survey

While New Vista does not offer a subsidized lunch program at this time, **(please see statement in red below)** it is very important to the school and the District to know how many of our students qualify for such a program. The number of eligible students affects the amount of money BVSD receives from the State of Colorado and thus the amount of money available for New Vista. It also affects the amount of money we receive from Impact on Education to provide scholarships for students in need of financial assistance, and the way test scores are interpreted. We also use these forms to determine who receives scholarships for discounted bus passes and course fees. This really does matter!

Please return the form to us if your family meets the Federal criteria. (as appropriate)

Please note: we are currently updating the Kitchen and remodeling the Community Room (lunch room for the students), and adding a much needed elevator, all in the same area. Our scheduled completion date of those three projects is November 1st. When our remodel is complete we will begin a school lunch program. We will keep you posted on our progress. Thank you for your patience and support as New Vista grows.

New Vista Forms You Need to Fill Out and/or Sign

1. The **Medical/Emergency Information Form**, (Required),
 2. The **Field Trip Permission Form**, (Required), allows students to participate in daytime field trips throughout the year. You will only need to fill out other forms if your student is involved in an overnight trip.
 3. The **Parent/Student Sign-Off Sheet**, (Required, 2 pages) which lists some additional policies and practices with which you will need to be familiar. The form includes Permission to Video Tape and Photograph your student. Students who choose to participate in interscholastic sports will be expected to acknowledge their intent to abide by the BVSD Interscholastic Athletic Code. This will be made available by coaches of individual sports.
 4. **Appropriate Use of Technology Form**, (Required). An Acknowledgement Regarding the use of any technology used in the school.
 5. **E-Mail Alert Form for parents**. (Required) The most cost effective and timely way to send you other messages throughout the year are e-mail messages from Donna Davis who runs our Front Desk. All of our weekly/daily communication is done through e-mail alerts to parents. (if requested, only 3 newsletters per school year will be mailed by US Post office, additional weekly/daily communications **will not** be mailed to you, except report cards). However, we strongly encourage all families with *e-mail* access to use this system. Please fill out the form with your *e-mail* address.
 6. **Opt-Out of the Military Form** (optional) which allows families to choose whether or not they wish their students' names and phone numbers to be disclosed to the military. Please view a copy of **2011-2012** Student Rights and Responsibilities Guide, for students and parents off the BVSD website.
 7. **Parent Volunteer Resources** (optional -2 pages) offering a wide range of ways to help out at New Vista. If you have an idea that's not on the form, add it! This is an opportunity to use your expertise to help a teenager (not your own) who will really appreciate your efforts.

Proof of Immunization

Students will not be allowed to continue in school unless they have complied with the State of Colorado Mandatory Immunization Regulations. It is the responsibility of the parents to provide an updated record of immunization to the school. If you do not wish your child to have this vaccine for personal or religious reasons, please sign a waiver that is available in the Health Room. A medical exemption must be signed by a physician. ***Return updated immunizations form from the doctor to the front office.***

Medications and Medical Release Form

Anytime a student needs to take or be given medication while in school, a medical release agreement **must** be on file with the office. This form needs to be signed by your student's doctor/dentist and is available here at school and from your doctor. Students are **not** permitted (by Colorado law) to carry with them **any** medications, including over-the-counter medications such as ibuprofen, aspirin, allergy relief, etc. We are glad to keep these items on hand in the health room along with a signed release. All medications, prescription or over the counter, **must** be in their original container with the student's name and dosage clearly marked. (A parent may come and administer to your student a dose of medication at school, in the health room. This includes Tylenol or Advil for headaches or cramps.)

Please Note: A signed release form needs to be renewed each school year. These forms **do not carry over** from school to school or year to year.
