This is how our grocery fund-raiser works to make money for New Vista!

- You buy our gift card at full face value, ie: give us \$25 in a check or cash, and we will give you a gift card from your chosen grocery store for \$25.
- Take the gift card to the grocery store, do your shopping and when you pay, hand them the gift card in place of money.
- **If you do not spend the entire amount on the gift card, use it next time you shop. The card will remember the remaining balance.**
- New Vista High School will make up to 5% off your purchase of gift cards. We buy them in advance for less and we get to keep the difference.

ALBERTSONS – donations are given to schools by scanning an Albertson's Community Partners Program key tag. Please pick up a key tag for NVHS in the main office at New Vista.

TARGET – if you use a Target charge card, please consider naming New Vista as the school you wish to support and Target will donate a percentage of your purchase to us!

It's easy and effortless on your part.

We make money and use it to supplement general expenses.
