

## Student Leadership

### Advisory Council and PROM Committee:

Get ready! **Next week**, out of the Advisory Council plus any other interested students, New Vista will be forming this year's PROM committee. The committee helps with decoration, food, and music choices. We are looking for 12-14 students to join!

## Student Notes

### **Attn: All students!**

Do you want a CE that works with elementary school children and staff with projects like: help supervise students at lunch and recess, read to students, help make booklets for the kids, make lanterns for a lantern walk? Columbine Elementary-just 10 minutes away on the 204 bus and a 1 block walk- wants New Vista students. **Volunteers are needed immediately for a school carnival on November 10<sup>th</sup> – that's this Thursday. If you're interested, please see Cheryl right away and she will give you the contact info. They are happy to start working with you this afternoon.**

### Football Parking as a Fundraiser:

Kara's & Joel' Advisory, the Robotics Club, The ELL/Latina Group and the RJ Team are on to help with this weekend's (Sat., November 12) football parking. The game begins at 12:30 pm. Please, be here at 10:30 am to get acquainted with the process! We have been doing incredibly well and hope to have your support at this LAST football parking event this year.

### New Vista Student Clubs:

Kirk and I (Ivette) are happy with the number of proposals for Student Clubs that have come our way this year. We would be more than glad to give the go ahead, if the club is school-appropriate, the 3-page application has been filed, and organizers have received an official/approved response. Please, know that clubs cannot start meeting until they have been approved through a signature by Kirk or Ivette.

Student Club applications have to be filed every year for clubs interested in meeting year after year. In other words if your club was successful the previous year and you want to keep meeting, you need to start the process again. "Returning" clubs cannot meet until all is approved by Kirk or Ivette. It's easier when you have done it once (or twice) already.

### IT Store – Adopt-a-Computer:

Students interested in buying a refurbished/used computer for \$25 from the district are welcome to do so through the district's IT Store-Adopt-a-Computer Program. For more info, kindly ask your advisor!

## Student Reminders

### From the Yearbook Staff:

Hey advisories, just a reminder that your advisory page is due by Dec. 14. Please get that to us by email at [nvyebook@gmail.com](mailto:nvyebook@gmail.com), labeled USB drive or labeled Cd. Remember the theme this year is Eras/timeline. If you forgot your era, please see your advisor. If your advisor forgot, ask a yearbook staff member or Cheryl. Have fun!

### Hear ye, hear ye...!

We are now offering an after-school study hour and homework help in the study center from 3:05-4:00 on Mon, Tues, Thurs, and Fri (all days except Wed). Jeff is in the study center everyday as well as two CU students who have volunteered to help you with your homework, college essays, test-prep, or anything academic. No need to sign up, just show up and there will be someone there to help. We promise. If you have any questions, see Jeff, Cheryl, or Diane.

### Shadowing Hosts Needed:

If you are interested in being a shadow host, please stop by Ann's office (next to Kirk's) to sign up. The first shadow day is November 15<sup>th</sup> so don't wait!

## Celebrations!!!

### HURRAY FOR students now in CU's Pre-Collegiate program:

Seven New Vista students applied to the Pre-Collegiate program, and all seven were accepted last week. Below are the 7 students:

Regina Mata	Rosa Reyes
Jennifer Perez	Maria Guerrero
Wendy Belmont	Karla Rodriguez
Leydi Lopez	

CONGRATULATIONS! That's a big deal!

### Football Parking:

We made \$1,424 in football parking on Friday. This is not the highest amount of money we have made, but again, football parking is the best fundraiser of New Vista...by far! Thanks to all students, parents, staff, who were there standing on nearby corners, shaking signs and helping to get cars through the gates. We appreciate your great enthusiasm despite the cold!
