

What's Happening?

New Vista High School

Volume 18, Issue 23- February 6, 2012

IMPORTANT POINTS:

Did you all enjoy your Snow Day? And... on a Friday? Perfect, no?

On another note, starting THIS week you might see a few families with new students in the building. They are here for the initial interview you all had before coming to New Vista. Please, be as nice and respectful as you always are.

Butt Duty:

Nori Brundage & Dylan Bruno. *Please check in with the front office and Joe.*

Recycling Advisory: Tas

Student Leadership

BVSD's Asian Youth Leadership:

Please, talk to Cheryl if you are interested in attending this wonderful conference. It's coming up at CU's UMC next Monday, February 13th! Don't miss it or it will miss you!

Student Notes

Long Advisory:

This wonderful, yearly event is coming up next week. Make sure you participate in choosing a great activity so you truly get to know other advisees and your advisor a little more, and in a very relaxed atmosphere! What school allows you to replace three hours of classes for hanging out, having fun, and doing some community building??? New Vista High School!!!! Why? Because it is one of our core values!

Just so you know...

Our Parent Advisory Council is planning another fundraiser. Details later, but for now just now it is another Open Mic Coffee House, with a Book Media Trade component. So far it is on February 24. Stay tuned for more info soon!

4th quarter LUC's:

If you are interested in earning LUC credit for 4th quarter learning experiences, please come and have a conversation with Vanessa soon. Applications are purple and are in the standing file by Vanessa's desk in the staff room and will also be in advisors' registration folders. **Application deadline is Monday, Feb. 27th.** No late applications can be accepted.

- Please remember that Seniors cannot enroll in an LUC for 4th quarter.

Give Kids a Smile:

Adventure Dental, in Longmont, will be participating in the national Give Kids A Smile program. During the GKAS program they will be donating free dental services for children under the age of 17 who are completely uninsured, but who are in need of dental care. Please feel free to pass this information along to any families who could use these services. They can just call 303-834-6400 to schedule an appointment for the week of February 6-10 in the mornings, and will take appointments until their time slots are full.

- Where: Adventure Dental- 1739 N. Main St. Phone number: 303-834-6400

Student Reminders

Hey there New Vista...Are you struggling in Math?

Wish you could have some help on your homework? Or simply want to come and talk math with one of your three favorite math teachers? Stop by math help every lunch (except Wednesday) in the Study Center. Show up for 5 minutes or a full hour; bring your lunch; no need to sign up ahead of time. Get the help you need to be successful! If you're assigned to math help by a teacher or an administrator, please make sure that you sign in and that you are working **with** the math teacher in the math help area - just being somewhere in the Study Center does **not** count.

Tas is there Mondays; Alex is there Tuesdays; Hunter is there Thursdays; we rotate through Fridays. But you don't have to be there on the day that your teacher is present - get to know a new math teacher!

Math lunch - it's pretty much where it's at.

Math lunch - you can do it, we can help.

COLLEGE BOUND SENIORS:

If you plan to attend college next fall and are seeking financial aid, you may be interested in the scholarship listings on the white board in the Counseling Office.

Stop in anytime and see what's coming up. Many more are listed in Naviance. See Diane or Julie with questions.

Celebrations!!!

No announcements this week...other than the fact the WE GOT A SNOW DAY!!!!!! YAY!!!!!!!!!
