## Student Leadership

No announcements this week.

## Student Notes

Are you excited about doing a CE 2nd quarter but need ideas?  
See Cheryl anytime or simply look through the binders full of ideas that are at her desk. Make contacts NOW with the CE of your choice. Go ahead-fill out and submit your paperwork for 2nd quarter early-I dare you! (Cheryl) ☺

### Robotics Club:

The New Vista Robotics Team will have its second general meeting on Tuesday, September 6, at 3:05 in room 214. Everyone is welcome! Find out about our competition, when our departments will meet, and get involved! For questions, please Mark, one of our science teachers.

### Web Design:

If one of you are interested/good at web design, Ilan, our Digital Imaging teacher, has a friend with a business who is looking for a student volunteer to help him design/update his website. This would be for a 2nd qtr Community Experience (CE) and beyond. If you need more information, please do not hesitate to contact Ilan or Cheryl, our Workshop and CE Coordinator!

### New Vista's Mountain Bike Team has started!

We are riding every Monday from 3:30PM-6PM and every Wednesday from 4PM-6PM. If you would like to join us you will need to sign a waiver and register with the National Interscholastic Cycling Association. Registration is \$50 and includes mandatory insurance. There will be four races this fall that anyone is eligible to participate in. Talk to Andy or a Mountain Bike Team member for more details.

## Student Reminders

### Upcoming CU Football Parking:

Since Football Parking is one of our greatest fundraisers, your advisors have signed up to help, with 3-4 of their advisees. Clubs can also participate! Ah! The cool thing about helping is that your advisory gets \$100 to spend however you all decide! Whenever your advisory is on to help, please know it is required to be here 2 hours before the game begins so we can get ready with signs, maps, parking tickets, corners to be, etc. Also you are free to go as soon as the game ends. The advisors who are on for our first CU football game (Sept 10) are Steve, Phil, Andy, and the Bike Team. Looking forward to it! Thanks!

### Changes to our school calendar:

1. The date of our Senior Parent Night has been changed. Please note the new date: Monday, Sept 12 at 6:30-8:00 p.m. in our auditorium. Please watch for more information about this in our counselor's next newsletter.
2. VISION AND HEARING has been rescheduled to October 31, at 9 am.

## Celebrations!!!

Thank you to the Earth Task Force for bringing to New Vista the ACE presentation last Wednesday. In parents' voices..."Not only the presentation was amazingly well put together, but the enthusiasm of the ETF kids and the respectfulness of the audience was just awesome. It was inspiring to see the whole student body engaged, asking questions, and cheering on the cause."

"Kudos to the administration & the staff for creating such a supportive and respectful community! These are the types of moments that the rest of the world needs to be reminded of when thinking of New Vista."
